WHAT WE DO

Think Together delivers nationally-recognized after school programs, early learning, enrichment, and school improvement in over 400 schools in California from San Diego to San Francisco – serving over 200,000 students.

We want a community where all kids get a great education that prepares them for college and career.

52,980

K-12 students attended our after-school programs.

Afterschool Expanded Learning Programs provide meaningful academic and enrichment activities to K-8 students.

Learn About Our Programs

88%

of high school students felt confident college is an option.

Our programs equip high school students with the tools they need to succeed as they launch their professional lives.

See Our School Partners

23,333

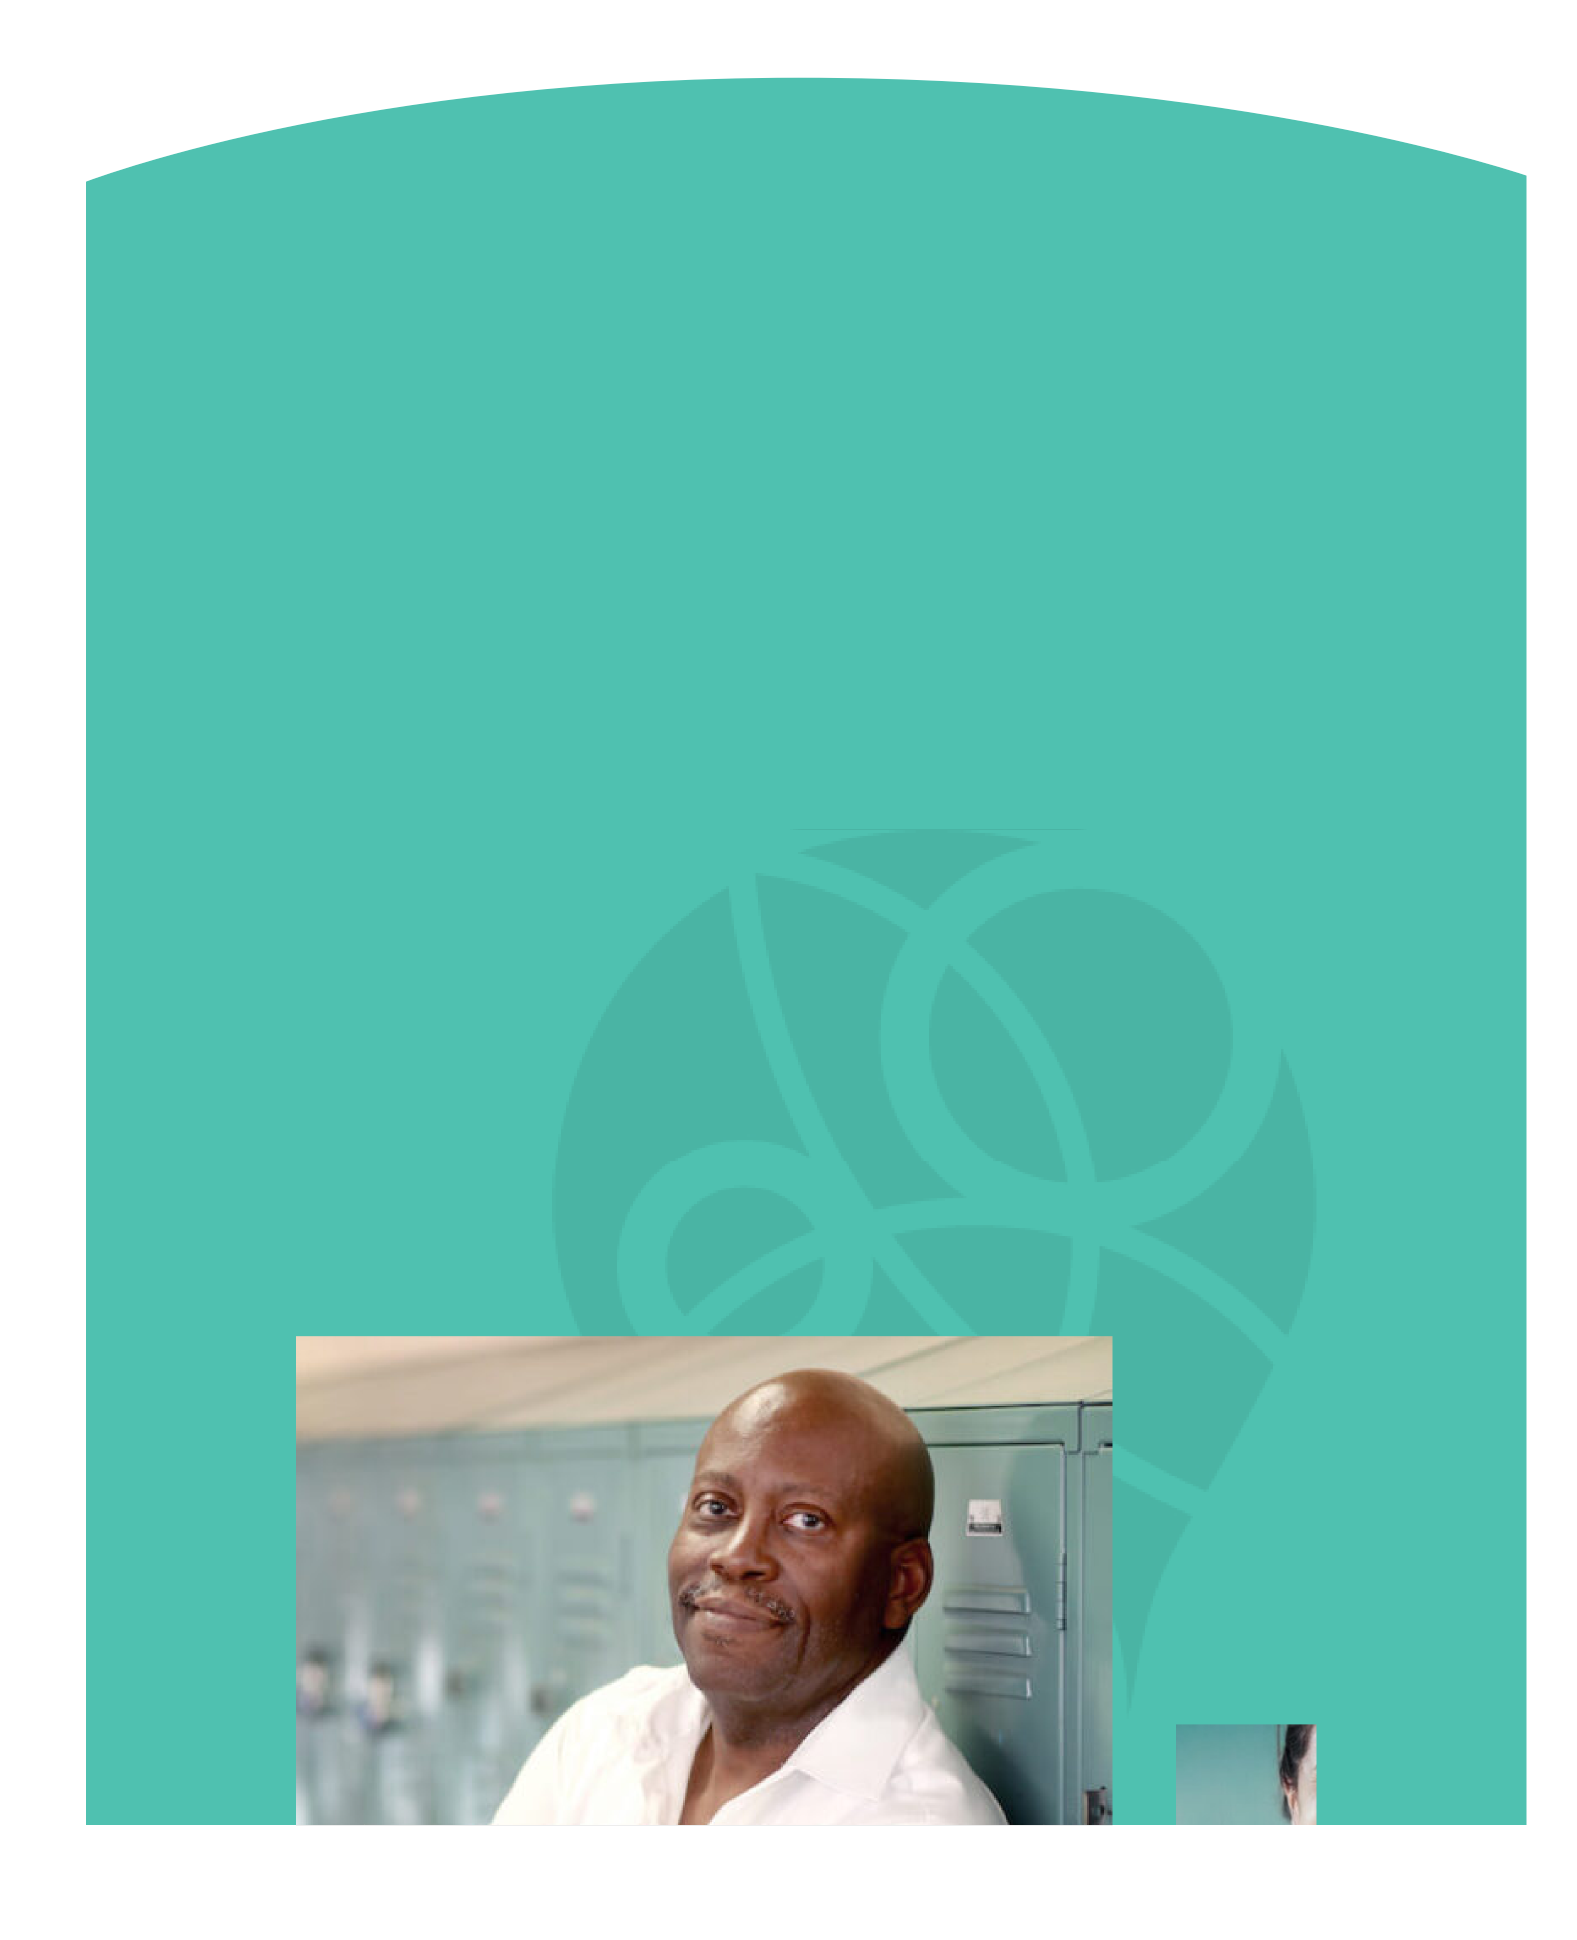

students benefited from additional academic support programs, including tutoring and STEM.

Introducing coding into over 400 schools throughout CA to impact over 150K kids together with our corporate partner, Broadcom Inc.

School Partners and Local Restaurants Come Together To Support Think Together's Mission in San Bernardino

July 2, 2021

This year the unexpected came in the form of a need for nutritional services. Three days before the program was set to begin, Think Together was informed that the school district needed Think Together's

support to provide the two meals required each day for students.

GET INVOLVED

There are many ways to join our efforts in changing the odds for kids.

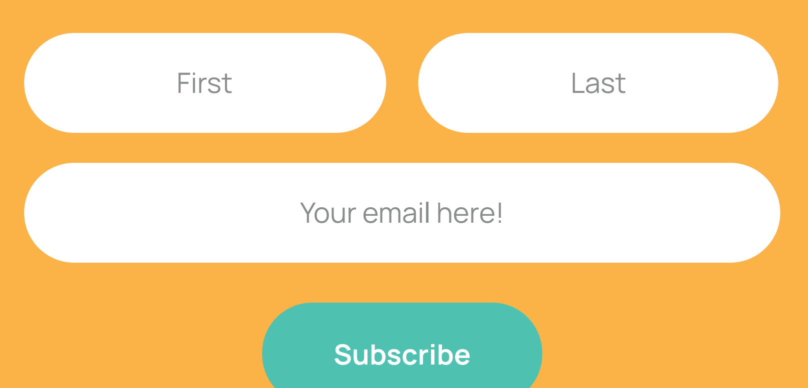

Think Together relies on you to help equip students with the tools they need to succeed through early learning, afterschool, summer and in-school expanded learning programs. Whether you give time, money, feedback, a helping hand, or tell everyone you know about us, we need you!
